

CAMBRIDGE UNIVERSITY FIVES CUPPERS

What is Fives Cuppers?

Cuppers is an **intercollegiate** tournament for men and women played across the **two codes** of fives represented at Cambridge: Eton Fives and Rugby Fives. The rules for both games will be explained before we start.

It's a **novice tournament** with experienced players not permitted to play on the same team and most people have only ever played one of the two games.

Why play Fives Cuppers?

Cuppers is a great way to get into either code of Fives while having an opportunity to try both.

The tournament will also be followed by a **social** so you can have some fun while getting to know members of the clubs!

When and where is it?

Saturday 14th October at 2pm at the Cambridge University Sports Centre, West Cambridge.

Who will I play with?

The tournament will be played as doubles, so you'll need to pair up with a friend from your college. If you can't find a partner, let us know and we'll find someone for you.

How do I sign up?

At the Freshers Fair, sign up to the mailing list of CUEFC or CURFC (or both) or contact Nathan at nrt29@cam.ac.uk or Matt at ms2247@cam.ac.uk.

Then play a few **training sessions** to learn the basics of the game and Nathan or Matt will enter you for Cuppers.

If you have any questions or want to get involved, contact Nathan (nrt29) for Eton Fives or Matt (ms2247) for Rugby Fives.
